## **ADMISSIONS ARRANGEMENTS FOR YEAR OF ENTRY 2023-2024**

### **INTRODUCTION**

St Mary's School is a Voluntary Aided Church of England School within the Diocese of St Albans. The Governing Body of the school is the admission authority. The governors will admit up to the published admission number of 30 children into the Reception year. The Governing Body is required to abide by the maximum limits for infant classes (5, 6 and 7 year olds), i.e. 30 pupils per class.

### **THE ADMISSIONS PROCESS**

Hertfordshire County Council operates an agreed co-ordinated admissions scheme in line with government legislation. It will manage the process on behalf of the school according to the scheme published each year. The Governing Body, as the Admission Authority, will allocate the available places in line with this policy.

The closing date for admission application forms to be received by Hertfordshire County Council is 15 January every year. The date for admission allocations is 16 April every year. Information on completing the 'on line' application and notification dates of admission decisions, are published in the Hertfordshire Admission Literature which is also available from the HCC website. [School admissions and transport | Hertfordshire County Council](#)

Please note that the information in this policy is correct for the relevant year. Policies for future years may be different.

### **THE RECEPTION YEAR AND DEFERRAL OF PLACES**

The school's policy is that children born on and between 1 September 2018 and 31 August 2019\* would normally commence primary school in Reception in the academic year beginning in September 2023. All Hertfordshire infant, first and primary schools provide for the full-time admission of all children offered a place in the Reception year group from the September following their fourth birthday. If a parent wants a full-time place for their child from September (at the school at which a place has been offered) then they are entitled to that full-time place.

Parents can defer the date their child is admitted to school until later in the same academic year or until the term in which the child reaches compulsory school age. Summer born children are only able to "defer" entry to Reception class until the beginning of the final term of the school year for which the offer was made.

Where parents wish, children can attend part-time until they reach compulsory school age. Any parents wishing to take up a part-time place or deferred entry should contact the school to discuss their child's requirements.

## **\*SUMMER BORN CHILDREN (1ST APRIL- 31ST AUGUST) – ENTRY TO RECEPTION**

Legally, a child does not have to start school until the start of the term following their fifth birthday. Children born between 1 April 2019 and 31 August 2019 are categorised as “summer born” and if parents/carers do not believe that their summer born child is ready to join Reception in 2023 they should contact the home Local Authority, and any own admission authority schools, for guidance before making an application. Summer born applications that are delayed for a year (for entry in September 2024) will be processed in exactly the same way as all other reception applications received at that time; there is no guarantee that a place will be offered at a child’s preferred school.

If parents wish to delay their application for a Reception place they are advised to discuss their child’s needs /development with their current early years or nursery provider. If parents wish their child to remain in their existing nursery school or class for a further year (rather than moving into the Reception year group) they must let their current school know before the end of the Spring term in 2023 (before the Easter break).

## **CHILDREN OUT OF YEAR GROUP**

### **(except applications for Reception from summer born)**

The school’s policy is for children to be educated within their correct chronological year group, with the curriculum differentiated as necessary to meet the needs of individual children. This is in line with DfE guidance which states that “in general, children should be educated in their normal age group”.

If parents/carers believe their child(ren) should be educated in a different year group they should, at the time of application, submit supporting evidence from relevant professionals working with the child and family stating why the child must be placed outside their normal age appropriate cohort. DfE guidance makes clear that “it is reasonable for admission authorities to expect parents to provide them with information in support of their request – since without it they are unlikely to be able to make a decision on the basis of the circumstances of the case”.

The school’s governing body, as the relevant admission authority, will decide whether the application will be accepted on the basis of the information submitted. The governors’ decision will be based upon the circumstances of each case including the view of parents, the relevant headteacher/s, the child’s social, academic and emotional development and whether the child has been previously educated out of year group. There is no guarantee that an application will be accepted on this basis. If the application is not accepted this does not constitute a refusal of a place and there is no right to an independent statutory appeal. Similarly there is no right of appeal for a place in a specific year group at a school. The internal management and organisation of a school, including the placement of pupils in classes, is a matter for the Headteacher and senior leadership of the school.

The governing body of schools responsible for their own admissions including voluntary aided schools are ultimately responsible for making this decision for applications made to their school.

## **NURSERY PROVISION**

Parents of children who attend Sunshine Pre-School must apply in the normal way for a place at St Mary's School if they want their child to attend Reception class. Attendance at 'Sunshine' does not guarantee admission to the school.

## **HOW PLACES ARE OFFERED**

All schools must admit children with an Education, Health and Care Plan (EHCP) that names the school. The school does not have any specific units or facilities for pupils with particular special needs and there are no specific facilities for pupils with physical disabilities.

**If there are fewer applications than places available, all applicants will be offered a place. If there are more applications than places available, the rules outlined below will be used to allocate places.**

- Rule 1.** Children looked after and children who were previously looked after, including those who appear (to the admission authority) to have been in state care outside of England, and ceased to be in state care as a result of being adopted or became subject to a child arrangements order or a special guardianship order.  
Written evidence should be supplied, at the time of application, from the relevant Local Authority.
- Rule 2** Children for whom it can be demonstrated that they have a particular medical or social need to go to the school. A panel of governors will determine whether the evidence provided is sufficiently compelling to meet the requirements for this rule. The evidence must relate specifically to St Mary's School and must clearly demonstrate why this is the only school that can meet the child's needs.
- Rule 3** Children who have a sibling on the school roll at the time of application. This applies to Reception through to Year 5.  
**In-Year admissions:** the sibling may be in the school's final year as long as they will still be in attendance at the time of admission.
- Rule 4** Children who live in the parish of North Mymms. A map defining the ecclesiastical parish boundary is available on the school website and from the school.
- Rule 5** Children whose home address is outside the area as defined in Rule 4 above, one or more of whose parents/guardians have, at the time of application shown commitment to the Church of England or another Christian Church by attending a service at least once in each calendar

month for the year prior to an application being made. Applicants should ask the priest or vicar to complete the statement on the second page of the Supplementary Information Form endorsing this commitment. The governors define a 'Christian' Church to be one which is a member, or is eligible for membership, of Churches Together in England or the Evangelical Alliance. In the event that during the period specified for attendance at worship the church has been closed for public worship and has not provided alternative premises for that worship, the requirements of these admissions arrangements in relation to attendance will only apply to the period when the church or alternative premises have been available for public worship.

**Rule 6** Any other children.

These rules are applied in the order they are printed above. If more children qualify under a particular rule than there are places available, a tiebreak will be used by applying the next rule to those children. Where there is a need for a tie-breaker where two different addresses measure the same distance from a school, in the case of a block of flats for example the lower door number will be deemed nearest as logically this will be on the ground floor and therefore closer. If there are two identical addresses of separate applicants, the tie break will be random allocation

Random allocation will be undertaken independently of the school by Hertfordshire County Council. Every child entered onto the county council's admissions database has an individual random number assigned, between 1 and 1 million, against each preference school. When there is a need for a final tie break this random number is used to allocate the place, with the lowest number given priority.

## **DEFINITIONS AND EXPLANATORY NOTES**

St Mary's School will use the same definitions and measuring system as Hertfordshire County Council's as outlined in the "Definitions" section below.

**Rule 1: Children looked after and children who were previously looked after, including those who appear (to the admission authority) to have been in state care outside of England, and ceased to be in state care as a result of being adopted or became subject to a child arrangements order<sup>1</sup> or a special guardianship order<sup>2</sup>.**

Places are allocated to children in public care according to Chapter 2, Section 7 of the School Admissions (Admission Arrangements and Co-ordination of Admission Arrangements) (England) Regulations 2012.

These children will be prioritised under rule 1.

Highest priority will also be given to children who were previously looked after, including those looked after outside England, but ceased to be so because they were adopted, or became subject to a child arrangement order or a special guardianship order.

A "child looked after" is a child who is:

- a) in the care of a local authority, or

- b) being provided with accommodation by a local authority in the exercise of their social services functions (section 22(1) of The Children Act 1989)

All children adopted from care who are of compulsory school age are eligible for admission under rule 1.

Children in the process of being placed for adoption are classified by law as children looked after providing there is a Placement Order and the application would be prioritised under Rule 1.

Children who were not “looked after” **immediately** before being adopted or made the subject of a child arrangement order or special guardianship order, **will not** be prioritised under rule 1. Applications made for these children, with suitable supporting professional evidence, can be considered under rule 2.

#### <sup>1</sup> Child arrangements order

Under the provisions of the Children and Families Act 2014, which amended section 8 of the Children Act 1989, residence orders have now been replaced by child arrangements orders which settle the arrangements to be made as to the person with whom the child is to live.

#### <sup>2</sup> Special guardianship order

Under 14A of The Children Act 1989, an order appointing one or more individuals to be a child’s special guardian or guardians.

Children previously looked after abroad and subsequently adopted will be prioritised under Rule 1 if the child’s previously looked after status and adoption is confirmed by Hertfordshire’s “Virtual School”. The child’s previously looked after status will be decided in accordance with the definition outlined in The Children & Social Work Act 2017:

- i. to have been in state care in a place outside England and Wales because he or she would not otherwise have been cared for adequately, and
- ii. to have ceased to be in that state care as a result of being adopted.

A child is in “state care” if he or she is in the care of, or accommodated by –

- (a) a public authority,
- (b) a religious organisation, or
- (c) any other organisation the sole or main purpose of which is to benefit society.

### **Rule 2: Children for whom it can be demonstrated that they have a particular medical or social need to go to the school**

Rule 2 applications will only be considered at the time of the initial application, unless there has been a significant and exceptional change of circumstances within the family since the initial application was submitted.

All schools in Hertfordshire have experience in dealing with children with diverse social and medical needs. However, in a few very exceptional cases, there are reasons why a child has to go to one specific school.

Few applications under Rule 2 are agreed.

All applications are considered individually but a successful application should include the following:

- a) Specific recent professional evidence that justifies why North Mymms St Mary's School can meet a child's individual needs, and/or
- b) Professional evidence that outlines exceptional family circumstances making clear why North Mymms St Mary's School can meet the child's needs.
- c) If the North Mymms St Mary's School is not the nearest school to the child's home address clear reasons why the nearest school is not appropriate.
- d) For medical cases – a clear explanation of why the child's severity of illness or disability makes attendance at North Mymms St Mary's School essential.

Evidence should make clear why North Mymms St Mary's School is appropriate. A Rule 2 application will generally not be upheld in cases where more than one school could meet the child's need.

Applications under Rule 2 can only be considered when supported by a recent letter from a professional involved with the child or family, for example a doctor, psychologist or police officer. The supporting evidence needs to demonstrate why only North Mymms St Mary's School can meet the social/medical needs of the child.

Applications for children who were not "looked after" immediately before being adopted or made the subject of a child arrangement order or special guardianship order may be made under this rule.

### **Rule 3: Definition of a sibling:**

A sibling is defined as: the sister, brother, half brother or sister, adopted brother or sister, child of the parent/carer or partner or a child looked after or previously looked after<sup>1</sup> and in every case living permanently<sup>2</sup> in a placement within the home as part of the family household from Monday to Friday at the time of this application.

A sibling must be on the roll of the named school at the time the younger child starts or have been offered and accepted a place.

If a place is obtained for an older child using fraudulent information, there will be no sibling connection available to subsequent children from that family.

*<sup>1</sup> Children previously looked after are those children adopted or with a special guardianship order or child arrangements order. This definition was amended following a determination by the OSA in August 2014.*

*<sup>2</sup> A sibling link will not be recognised for children living temporarily in the same house, for example a child who usually lives with one parent but has temporarily moved or a looked after child in a respite placement or very short term or bridging foster placement.*

### **Multiple births:**

The school will admit over the published admission number when a single twin/multiple birth child is allocated the last place at the school.

**Home address:**

The address provided must be the child's current permanent address at the time of application. 'At the time of application' means the closing date for applications. "Permanent" means that the child has lived at that address for at least a year and/or the family own the property or have a tenancy agreement for a minimum of 12 months.

The application can only be processed using one address. If a child lives at more than one address (for example due to a separation) the address used will be the one which the child lives at for the majority of the time.

If a child's residence is in dispute, parents/carers should provide court documentation to evidence the address that should be used for admission allocation purposes.

If two different applications are received for the same child from the same address, e.g. containing different preferences, the application from the parent in receipt of child benefit will be processed if the applications cannot be reconciled.

**Fraudulent applications:**

The school, in liaison with Hertfordshire County Council, will do as much as possible to prevent applications being made from fraudulent addresses. Address evidence is frequently requested, monitored and checked and school places will be withdrawn when false information is deliberately provided.

Action will be taken in the following circumstances:

- When a child's application address does not match the address of that child at their current school;
- When a child lives at a different address to the applicant
- When the applicant does not have parental responsibility
- When a family move shortly after the closing date of applications when one or more of the following applies:
  - The family has moved to a property from which their application was less likely to be successful
  - The family has returned to an existing property
  - The family lived in rented accommodation for a short period of time (anything less than a year) over the application period
  - Council tax information shows a different residence at the time of application
  - When a child starts at the allocated school and their address is different from the address used at the time of application

**Home to school distance measurement for purposes of admissions:**

A 'straight line' distance measurement is used for all home to school distance measurements for admission allocation purposes. Distances are measured using a computerised mapping system to two decimal places. The measurement is taken from the AddressBase Premium address point of your child's house to the address point of the school. AddressBase Premium data is a nationally recognised method of identifying the location of schools and individual residences.

**UNSUCCESSFUL APPLICATIONS****Continuing Interest (Reception places)**

After places have been offered, the governors will maintain a continuing interest list (waiting list). These and late applications will go onto this list in a position determined by the admission criteria outlined above and a child's place on the list can change as other children join or leave it. If a place becomes available in the school it will be offered to the child that best meets the published admission rules.

Parents are requested to inform the governors if they wish their child's name to be removed. The governors will maintain the list until the end of the academic year.

### **Fair Access**

The school participates in the county council's Fair Access protocol and will admit children under this protocol before children on continuing interest

### **Appeals**

Parents who have not been allocated a place for their child in the Reception class have the right to appeal to an independent panel.

For the Reception intake

Parents wishing to appeal who applied through Hertfordshire's online system should log in to their online application and click on the link "register an appeal". Out of county residents and paper applicants should call the Customer Service Centre on 0300 123 4043 to request their registration details, log into [www.hertfordshire.gov.uk/schoolappeals](http://www.hertfordshire.gov.uk/schoolappeals) and click on the link "log into the appeals system".

For In-Year Admissions

The county council will write to you with the outcome of your application and, if you have been unsuccessful, will include registration details to enable you to login and appeal online at [www.hertfordshire.gov.uk/schoolappeals](http://www.hertfordshire.gov.uk/schoolappeals)

## **IN-YEAR ADMISSIONS**

Requests for In-Year Admission to the school should be made to the Local Authority.

The school will remain part of the county council's coordinated In Year admissions scheme. Application forms can be accessed via [www.hertfordshire.gov.uk/admissions](http://www.hertfordshire.gov.uk/admissions) or from the Customer Service Centre, 0300 123 4043. Parents should return the application form direct to the County Council (address on the form).

### **APPLICATIONS FROM CHILDREN\* FROM OVERSEAS**

All children of compulsory school age (5 to 16 years) in England have a right of access to education. However, where a child is in England for a short period only, for example less than half a term, it may be reasonable to refuse admission to a school.

An application for a school place will only be accepted for such children currently overseas if, for In Year applications, proof is provided that the child will be resident in Hertfordshire within two weeks. In Year allocations are made on the assumption that the child will accept the school place and be on roll within that timescale.

For the Primary transfer process, applications will not normally be accepted from, nor places allocated to, an overseas address. The exception to this (for both In Year and transfer processes) is for children of UK service personnel and crown servants (and from military families who are residents of countries with a Memorandum of Understanding

with the UK). In these cases, the school will allocate a place in advance of the family arriving in the area provided the application is accompanied by an official letter that declares a relocation date and a HCC Unit postal address or quartering area address, for consideration of the application against oversubscription criteria.

Applications will also be considered, and places offered in advance for these families, if the application is accompanied by an official letter that declares a relocation date but does not provide a quartering or unit address because the family will be residing in private accommodation. In these cases, if the family does not already have a permanent private address in Hertfordshire, the military base or alternative “work” address in Hertfordshire will be used for allocation purposes. If the family already has an established alternative private address, that address will be used for admission purposes.

The school, in liaison with HCC, will also consider accepting applications from children\* whose family can evidence intent to return to and/or permanently reside in Hertfordshire prior to the start of the new academic year. These applications, if accepted, will be processed from the overseas address until sufficient evidence is received to show the child is permanently resident in Hertfordshire. Evidence must be submitted at the time of application.

Evidence submitted after the date for late applications (2 February 2023 for the Under 11s process) cannot be taken into account before National Allocation Day. Decisions on these applications will be made by a panel of senior officers and communicated with parents within 6 weeks of the closing date for applications.

If an applicant owns a property in Hertfordshire but is not living in it, perhaps because they are working abroad at the time of application, the Hertfordshire address will **not** be accepted for the purposes of admission until the child is resident at that address. Other children than those mentioned above, from overseas do not generally have automatic right of entry to the UK. An application for a school place will not therefore be accepted until they are permanently resident in Hertfordshire. Proof of residency such as an endorsed passport or entry visa will be required with the application, in addition to proof of Hertfordshire address, for example a council tax bill or 12 month rental agreement.

*\*Children who hold full British Citizen passports (not British Dependent Territories or British Overseas passports), or have a UK passport describing them as a British citizen or British subject with the right of abode or are European Economic Area nationals normally have unrestricted entry to the UK.*
