

What we are learning this term

ELIZABETH CLASS

AUTUMN 2023

YEAR
R

Communication and Language

This term in Elizabeth Class we will be learning to take turns whilst talking. We will consider how we respond to other's opinions and ideas as well as anticipating key events.

Physical Development

Gross Motor development - PE - Fundamentals unit 1 / Ball skills unit 1, Bikes and Scooters, Exploration time.
Fine motor development - Busy Fingers, scissor skills, dough disco.

Personal, Social and Emotional Development

Jigsaw
Being Me and Celebrating Difference

RE

We will be exploring Christianity through 'What makes people special?', who a vicar is and why we pray. Following this we will consider Incarnation focussing on the question 'Why do Christians perform Nativity plays?'. We are also excited to be celebrating Harvest and learning about the Bishop's appeal.

Literacy/Phonics

Elizabeth Class will be beginning our phonics journey using Read, Write Inc. We will be learning sounds as well as how to segment and blend through Fred games. Our Literacy will have two main focus books: Hello, Goodbye and We're going on a bear hunt. We will use these to recount and retell stories as well as exploring feelings through drama

Maths

Our mathematics will focus on building a strong understanding of what numbers are composed of and subitising values.

Understanding the World

We will be discussing families and our traditions whilst celebrating our similarities and differences.

Expressive Arts and Design

Reception will be exploring new medias including collage and clay.

Values

The first half term value is **RESPECT**.
The second half term value is **LOVE**.
