

What we are learning this term

CURIE CLASS

AUTUMN 2023

YEAR 1

English

This term we will be exploring a wide range of exciting books including Stanley's Stick by John Hegley, How to look after your dinosaur by Jason Cockcroft and the Jolly Christmas Postman by Janet & Allan Ahlberg. Children will be writing lists, stories, and diaries.

Maths

We will be mastering numbers to ten: counting, comparing, ordering, regrouping, finding patterns and making numbers. We'll then look at numbers to twenty. Children will also explore Geometry including positional language and properties of shapes.

Science

Our Different Animals topic will introduce children to lots of common animals including fish, amphibians, reptiles, birds and mammals, exploring what they eat and observing other similarities and differences.

RE

We will be exploring Christianity through our two big unit questions: 'What do Christians believe God is like?' and 'Why does Christmas matter to Christians?'

Values

The first half term value is **RESPECT**.
The second half term value is **LOVE**.

History

What can toys teach us about history?

Geography

Where do we live?

Music

Charanga 'Hey You' unit and learning songs for the KS1 Christmas production.

Art

Masterclass: colour

D&T

How do you make a strong bridge?

PE

Tuesdays and Thursdays:
Fundamentals and Ball Skills

PSHE

Being Me and Celebrating Difference

Computing

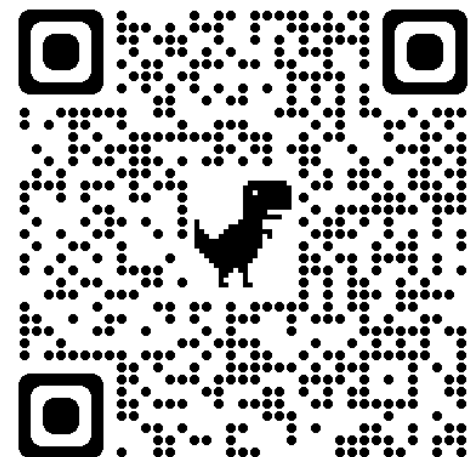

Online Safety, Grouping & Sorting, Pictograms

Homework

In Year 1 children are expected to:

- Read daily with an adult and have it recorded in their reading record;
- Practise weekly phonics/spellings.

"Flourish for the future"
