

What we are learning this term

HAWKING CLASS

AUTUMN 2023

YEAR 2

English

This term we will be exploring a wide range of exciting books including Augustus and his Smile by Catherine Rayner, the Puffin book of fantastic first poems, and Scaredy Squirrel makes a friend by Melanie West. Children will be writing stories, diaries and poems.

Maths

We will be securing fluency to twenty, exploring two-digit place value, regrouping, comparing and ordering numbers up to 100. We'll also be exploring mental addition and subtraction as well as making combinations and finding change with money.

Science

Our Habitats topic will explore explore and compare the differences between things that are living, dead, and things that have never been alive. This includes looking at plants and animals, comparing the things they eat and how living things depend on each other.

RE

We will be exploring Christianity through our two big unit questions: 'Who made the world?' and 'Why does Christmas matter to Christians?' .

Values

The first half term value is **RESPECT**.
The second half term value is **LOVE**.

History

What happened at Balloon Corner?

Geography
