

**NORTH MYMMS ST. MARY'S
CHURCH OF ENGLAND PRIMARY SCHOOL**

Sports Premium Funding - 2016 – 2017

What is Sports Premium?

Sports Premium is additional funding given to publicly funded schools in England to make additional and sustainable improvements to the quality of PE and sport they offer. In the 2016-2017 financial year, schools will receive the following funding:

- Schools with 17 or more eligible pupils receive £8,550 and an additional payment of £5 per pupil.

Purpose of Funding

Sports Premium Funding should:

- develop or add to the PE and sport activities that your school already offers
- make improvements now that will benefit pupils joining the school in future years

Therefore, it is suggested that schools could use funding to:

- hire qualified sports coaches to work with teachers
- provide existing staff with training or resources to help them teach PE and sport more effectively
- introduce new sports or activities and encourage more pupils to take up sport
- support and involve the least active children by running or extending school sports clubs, holiday clubs and Change4Life clubs
- run sport competitions
- increase pupils' participation in the School Games
- run sports activities with other schools

Areas identified for development

- increase staff confidence in teaching PE, specifically gymnastics and dance
- develop the quality of all staff teaching when delivering PE
- provide a wide range of sporting opportunities for all pupils within PE lessons and as extra-curricular clubs
- get involved in district competitions and tournaments
- increased range of equipment for specific sports

How will we spend the Sports Premium?

Total Money Received for 2016-2017 - £8645

Details	Intended Impact	Estimated Costs
