Sports Premium Funding Update 2013 – 2014

What is Sports Premium?

The government is providing funding of £150 million per annum for the academic years 2013/14 and 2014/15 to provide new and substantial primary school sport funding. The funding is being jointly provided by the Departments for Education, Health and Culture, Media and Sport, and will see money going directly to primary school Headteachers to spend on improving the quality of sport and PE for all their children. Each school will receive £8,000 plus an extra £5 per pupil each year for the next two years.

Purpose of Funding

Schools must spend the additional funding on improving their provision of PE and sport, but they will have the freedom to choose how they do this.

Possible uses for the funding might include:

- hiring specialist PE teachers or qualified sports coaches to work with primary teachers when teaching PE
- supporting and engaging the least active children through new or additional Change4Life clubs
- paying for professional development opportunities for teachers in PE and sport
- providing cover to release primary teachers for professional development in PE and sport
- running sport competitions, or increasing pupils' participation in the School Games
- buying quality assured professional development modules or materials for PE and sport
- providing places for pupils on after school sports clubs and holiday clubs
- pooling the additional funding with that of other local schools.

Areas identified for development

- increase staff confidence in teaching PE, specifically gymnastics and dance
- develop the quality of all staff when teaching PE
- provide a wide range of sporting opportunities for all pupils within PE lessons and as extra-curricular clubs
- get involved in district competitions and tournaments
- increased range of equipment for specific sports

How will we spend the Sports Premium?

Total Money Received for 2013-2014 - £8259

Details	Intended Impact	Costs
Buy into Onslow St Audrey School Sports Partnership This gives us access to specialist secondary PE teachers who provide in school modelling and training for Key Stage 1 and 2 staff and who run specific sporting sessions in preparation for tournaments and competitions.
